- Marks the Beginning of a Broader Collaboration Focused on Transformative, Experience-Driven Real Estate Investments

NEW YORK--(BUSINESS WIRE)-- VICI Properties Inc. (NYSE: VICI) ("VICI" or "VICI Properties"), Cain International ("Cain"), and Eldridge Industries today announced that the parties established a strategic relationship, pursuant to a non-binding letter of intent, dedicated to investing in high-growth, experience-driven real estate. The letter of intent expresses the parties' shared intention to work collaboratively to identify and pursue experiential investment opportunities that meet each party's investment objectives. The collaboration launches with VICI's \$300 million investment into a mezzanine loan related to the development of One Beverly Hills, a landmark 17.5-acre luxury mixed-use development.

One Beverly Hills, developed by Cain and master planned by Foster + Partners, will be anchored by Aman Beverly Hills, bringing Aman's first West Coast hotel, Aman-branded

residences, and Aman Club to Beverly Hills. The masterplan will also include a full-scale refurbishment of The Beverly Hilton, preserving the Hollywood landmark's status as a premier luxury destination while integrating it into the broader masterplan.

Alongside its hospitality and residential offerings, One Beverly Hills will feature 10 acres of botanical gardens and open space, creating a lush, walkable setting with high-end retail, dining, and cultural experiences woven into the landscape.

The Project has already commenced construction and is expected to be completed late 2027.

Key components of One Beverly Hills include:

- **Aman Beverly Hills:** One Beverly Hills will include Aman Beverly Hills as its centerpiece, the brand's first West Coast destination, featuring an all-suite Aman Hotel and Aman-branded residences designed by Kerry Hill Architects overlooking the Los Angeles Country Club and lush private gardens. Residents will enjoy access to Aman's signature amenities, including an Aman Club, the brand's private global membership club offering wellness, dining, and social spaces.
- **The Beverly Hilton:** Longtime host of the Golden Globes and the annual Milken Institute conference, The Beverly Hilton is a cornerstone of Beverly Hills' hospitality landscape. As part of the One Beverly Hills development, the hotel will undergo a renovation by David Collins Studio, blending contemporary design with its rich heritage. The refurbishment will enhance the guest experience while preserving the hotel's legacy, ensuring it remains a premier destination for generations to come.
- **Retail and F&B:** One Beverly Hills will feature a carefully curated selection of luxury retail and dining that complements the world-renowned shopping and hospitality of nearby Rodeo Drive, integrating into the development's broader vision with a dynamic mix of global brands, high-end boutiques, and world-class culinary destinations.
- **Botanical Gardens:** Over 10 acres of botanical gardens and open space, designed by award-winning landscape architect Mark Rios, will shape the landscape of the development, creating a lush, walkable environment that blends nature with urban sophistication and provides a tranquil setting for residents, guests, and visitors. The outdoor space will include 5.5 acres of private botanical gardens exclusively for Aman residents, hotel guests, and club members, while 4.5 acres will be open to the public for the first time.
